Press release – June 2022

First-ever European Forum for Domestic and Home Care industry professionals

[European Federation for Services to Individuals](#) (EFSI) and [Le Salon des Services à la Personne et de l'Emploi à Domicile](#) (Personal Services and Home Employment Fair) will jointly organise the first **Domestic and Home Care European Forum**. It will take place on **November 29, 2022**, from 11 AM to 6 PM in **Paris** at the French tradeshow to foster information sharing on the Domestic and Home Care 's industry, and exchanges between European decision-makers. To complement the Forum, an international networking walking diner will take place from 7 to 9:30 PM.

This Forum is the occasion to reunite under the same roof Personal and Household Services (PHS) Providers, Domestic Work European professionals, business partners (IT, insurances, social voucher issuers, HR services), employers organisations and any other European domestic and care actor that wishes to benchmark EU initiatives or expand their activities be it private for-profit, private not-for-profit or public.

It will gather about 50 to 80 participants that will share their experience on the sector in three conferences and workshops. They will cover the Domestic and Home Care services of tomorrow (11 AM to 12:30 PM), the PHS development future opportunities in specific EU

countries (2 to 3:30 PM), and the ways to attract, professionalise and retain the workforce (4.30 to 6 PM) will be discussed.

More information on the Forum is available [here](#).

The European Federation for Services to Individuals is, since 2006, the voice of the Personal and Household Services industry at European level, representing national associations, employers' organisations, PHS providers and companies involved in the development of personal and household services, and currently operating in 21 EU Member States.

Le Salon des Services à la Personne et de l'Emploi à Domicile (Personal Services and Home Employment Fair) is, since 2007, the unmissable event for all players in the sector, whether structure managers or future heads of personal services structures, franchise candidates, home workers or job seekers wishing to work in this sector, and individuals needing solutions for their families.
